

Flawless Support and Onboarding is here - BankersWorksite® Announces Enrollment and BenAdmin Solutions

Our partnership with WorkPlace Solutions delivers a seamless enrollment solution

Offer your clients industry-leading online enrollment and call center support with BenAdmin solutions as another complementary perk to further enrich their benefit program. This comprehensive and convenient system streamlines the enrollment process to help increase employee awareness, participation and appreciation.

For over 20 years, WorkPlace Solutions has been an asset to their clients by providing solutions that enhance communication and ensure smooth enrollment processes for their employees. It is their mission to educate and assist employees through clear, concise communication and a user-friendly enrollment and administration product.

WorkPlace Solutions provides employers with an online enrollment platform along with access to their Benefit Service Center. The Benefit Service Center provides employees with assistance in the understanding of and enrollment in each benefit offering.
