

BANKERSWORKSITE®

BankersWorksite® Partners with TBX to Offer Cutting Edge Enrollment and Administration Technology

The partnership delivers a comprehensive, user-friendly enrollment solution for large companies and their employees

Atlanta, GA, December 1, 2017 - BankersWorksite®, a trusted provider of flexible voluntary products, has teamed with TBX (The Benefits eXpert®) to offer cutting edge online benefits administration for businesses with over 500 lives. TBX's technology streamlines the enrollment process to help companies in their employee acquisition efforts and increase their participation and satisfaction.

The partnership with TBX makes it easier for employees to enroll in BankersWorksite's group products, including Critical Illness, Hospital Indemnity, Short-Term Disability as well as Whole and Term Life insurance.

TBX possesses the industry-leading technology to handle the most complex benefit programs and eligibility rules. Among the services TBX offers are comprehensive pre-enrollment communication services and a customized, user-friendly benefit administration platform available in both English and Spanish. Employees can choose the method they wish to enroll in coverage, by computer, tablet or mobile device and gives them the power to choose how and when to receive benefit enrollment communications, further enhancing engagement. In addition, TBX offers Benefits Guru™, an analytics-driven decision support tool.

TBX offers a fully comprehensive enrollment experience, beginning with pre-enrollment communication and providing educational videos and interactive decision support tools throughout the process. Enrollment can be completed in minutes and employees can instantly access printed confirmations of coverage.

Businesses benefit from this partnership thanks to integration with HRIS, HRM and most payroll systems, the ability to create and schedule reports, monitor enrollment engagement, and no set up or per employee, per month (PEPM) fees.

BankersWorksite's partnership with TBX offers businesses a voluntary benefits enrollment solution that can alleviate the administration challenges associated with employee benefits by offering a simple, convenient and effective enrollment solution.
